ABOUT iFEEL

At iFEEL (Institute for Future Education Entrepreneurship and Leadership), we believe in the power of education to transform lives and empower individuals to create a positive impact on society. As a premier PGDM institute in Lonavala, Pune, we are dedicated to nurturing the next generation of leaders who can drive innovation, entrepreneurship, and sustainable development.

Our PGDM program offers specializations in Marketing, Finance, Human Resource Management, and Operations, providing students with the flexibility to pursue their interests and build a successful career in their chosen field. With a strong industry interface and collaborations with leading corporates, startups, and social enterprises, our students gain real-world exposure through internships, projects, and interactions with industry leaders. Additionally, our global immersion program offers students the opportunity to study at international universities and gain valuable cross-cultural perspectives.

iFEEL is proud of its membership with the Association to Advance Collegiate Schools of Business (AACSB), symbolizing our commitment to global standards of excellence in business education. We are also approved by the All India Council for Technical Education (AICTE), ensuring the quality and credibility of our programs. Moreover, we have received accreditation from the International Association for Quality Assurance in Pre-tertiary and Higher Education (QAHE) and hold membership with the Accreditation Council for Business Schools and Programs (ACBSP), further underscoring our dedication to educational excellence.

At iFEEL, we are committed to providing a nurturing and inclusive environment that fosters both personal and professional growth. We are focused on developing responsible leaders who are well-equipped to address the complex challenges of the 21st century and make a positive impact on the world.

MESSAGE FROM THE DIRECTOR

“

We are thrilled to present the PGDM program's 2024-2026 batch at iFEEL. Our institute prides itself on attracting some of the brightest minds in the country, selected through a stringent admission process and nurtured with rigorous academics and ethical learning. Our mission is to provide exceptional education that aligns with the ever-evolving business landscape.

To enhance our curriculum, we actively involve industry leaders through workshops and conclaves, integrating their practical business insights. This brochure offers a glimpse into our thoughtfully designed curriculum, industry interactions, and student-led activities. Our students are well-equipped to meet your organization's needs, and I confidently endorse their potential as valuable contributors.

”

– **Dr. Sanjay Salunkhe**

MESSAGE FROM DEPUTY DIRECTOR

The PGDM Batch 2024-2026 at iFEEL brings together students from a wide range of organizations, creating a rich tapestry of talent and experience. These students have honed their skills and gained significant industry exposure through summer internships, company research projects, and interactive guest lectures. Our curriculum is thoughtfully designed to cover contemporary courses that shape our students into confident leaders ready to excel in their professional, personal, and civic lives. Additionally, we offer technical training through value-added programs and skill development initiatives, ensuring our students are well-versed in the current market dynamics.

We invite you to engage with our campus activities during the 2024-25 Corporate Connect season. This offers you access to a pool of dynamic, young professionals ready to tackle global business challenges and contribute meaningfully to your organization. Confident in their leadership potential and the value they bring, we look forward to your participation in shaping the future business leaders at iFEEL.

– Dr. Sagar Bhadange

HR Summit and Awards 2025

As part of its ongoing initiative to engage with the HR fraternity, iFEEL organizes the HR Summit every year to celebrate excellence and leadership in human resource practices. The HR Summit Awards 2025 featured insightful discussions with HR leaders and industry experts, along with the HR Summit Awards 2025, which recognized outstanding contributions and innovative people practices. Graced by Dr. Kiran Bedi as Chief Guest and Guests of Honour Dr. Buddha Chandrasekhar and Dr. Ashwini Kumar Sharma, the summit reinforced iFEEL's commitment to fostering collaboration between academia and industry.

Finance Conclave 2025

iFEEL organized the Finance Conclave 2025, a platform designed to foster financial acumen and industry engagement among students. The conclave featured insightful discussions on emerging trends, investment strategies, and financial innovation, empowering students with practical industry perspectives. The event reinforced iFEEL's commitment to bridging the gap between academic learning and professional practice.

International Study Tour

International Study Tours are a vital component of a PGDM program at iFEEL, offering students invaluable exposure to diverse cultures.

PRACTICAL EXPOSURE

Global Change Leader (GCL)

Global Change Leaders (GCL), previously known as Global Citizen Leadership, focuses on leadership development through real-world problem solving, group exercises, and design thinking. Powered by **BIMTECH – Birla Institute of Management Technology, Noida**, the program encourages students to think globally and act locally, fostering innovation, empathy, and collaborative action.

Industrial Visit

Industrial visits are crucial in a PGDM program of iFEEL as they provide students with real-world insights into various industries.

IIM Immersion Program

iFEEL organizes a 4-day Knowledge Immersion Program (KIP) in collaboration with IIM Ranchi, offering students an exclusive opportunity to experience academic excellence at one of India's premier management institutes. The program includes high-impact leadership and management sessions, interactive workshops, and engagements with IIM faculty and peers. Students gain exposure to best practices in business education and leadership, making it a transformational experience that extends far beyond the classroom.

Entrepreneurship Development Program

The Entrepreneurship Development Program at iFEEL (Institute for Future Education Entrepreneurship and Leadership) is designed to ignite the entrepreneurial spirit in participants. This program offers a comprehensive curriculum that blends innovative thinking, practical insights, and real-world business strategies. Whether you're an aspiring entrepreneur or looking to scale an existing venture, iFEEL's program equips you with the tools, mentorship, and network needed to turn your ideas into successful enterprises. Idea to Impact (i2i) is an Entrepreneurship Development Program initiated by iFEEL E-Cell in association with the eduVents Lab incubation center.

Experiential Learning

At iFEEL, Experiential Learning is at the core of our educational approach, offering students hands-on experiences that bridge the gap between theory and practice. Through live projects, industry interactions, and real-world simulations, students develop critical skills, gain practical insights, and emerge as industry-ready professionals. This immersive learning environment fosters innovation, creativity, and problem-solving abilities, ensuring that graduates are not just academically proficient but also equipped to excel in dynamic business environments.

Corporate Readiness Program

The Corporate Readiness Program at iFEEL is designed to bridge the gap between academic learning and real-world business demands. This program equips students with the essential skills, knowledge, and industry insights required to thrive in a corporate environment. Through a blend of workshops, live projects, and expert-led sessions, participants gain practical experience and a competitive edge, preparing them to seamlessly transition into the professional world and excel in their careers.
