**iFEEL**  
INSTITUTE FOR FUTURE EDUCATION  
ENTREPRENEURSHIP AND LEADERSHIP

**Dr. Sanjay Salunkhe**  
Director, iFEEL

*“Welcome to the latest edition of the Institute for Future Education, Entrepreneurship and Leadership(iFEEL) Newsletter. Choosing the right management program is one of the most important decisions in a student’s journey, and at iFEEL, we are committed to making that decision truly worthwhile.*

*iFEEL is a modern business school dedicated to nurturing entrepreneurial, leadership, and creative skills in future management professionals.*

*As management education continues to evolve, our focus is on adopting innovative approaches that equip students with the right mindset, capabilities, and resilience to excel in a dynamic global business environment.*

*At iFEEL, our vision is to create not just managers, but responsible leaders and entrepreneurs who will shape the future of business and society”*

*Dr. Sagar Bhadange  
Deputy Director, iFEEL*

*“I am proud of the progress iFEEL has made in achieving academic excellence and fostering holistic student growth. Together, we have built a vibrant environment that inspires curiosity, innovation, and leadership.*

*As management education evolves, iFEEL remains committed to staying ahead through cutting-edge programs and innovative teaching. The iFEEL Newsletter serves as a reflection of our journey, capturing the spirit of our academic initiatives, student achievements, industry interactions, and community events.*

*It is a platform that connects all stakeholders-students, faculty, alumni, and partners- and showcases the values that define us: leadership, entrepreneurship, and innovation. I invite you to explore the pages of this newsletter with pride and enthusiasm, as it reflects the collective efforts and accomplishments that make iFEEL a truly unique institution.”*

***Dr. Gaurav Petkar***  
***Faculty Coordinator,***  
***iFEEL***

*It gives me immense pleasure to present the latest edition of iPULSE – January to June 2026 Newsletter, a reflection of the vibrant journey, achievements, and experiences of iFEEL.*

*This newsletter captures the spirit of innovation, learning, leadership, and collaboration that continues to define our institution. Each page represents the dedication of our students, faculty and the entire iFEEL community in creating meaningful milestones.*

*I sincerely appreciate the efforts of the newsletter team in bringing together these stories and memories with creativity and commitment. I hope this edition inspires iFEEL's Students to continue exploring new possibilities, celebrating excellence, and creating greater impact.*

# Achievements

*Institute for Future Education, Entrepreneurship and Leadership(iFEEL), PGDM B-School, Lonavala, has been recognised among India's Best Education Brands 2026 by Economic Times(ET) Edge, the thought leadership platform of The Times Group. This prestigious recognition highlights the institute's excellence in management education, innovation, leadership development, and strong industry integration. Founded under the visionary leadership of Dr. Sanjay Salunkhe, iFEEL has built a reputation for delivering industry-oriented, student-centric education through experiential learning, corporate exposure, and holistic development initiatives.*

*A key factor in iFEEL's recent growth has been its transformation into an AI-enabled campus, integrating Artificial Intelligence into both academics and operations. The institute incorporates AI, digital transformation, and data-driven decision-making into its curriculum while providing students with practical exposure through live projects, industry interactions, research initiatives, and leadership programs. This recognition reinforces iFEEL's commitment to developing future-ready, ethical, and socially responsible leaders equipped to succeed in a rapidly evolving global business environment.*

**लोणावळा :** लोणावळा येथील इन्स्टिट्यूट फॉर फ्युचर एज्युकेशन, ऑनप्रुनरशिप अँड लीडरशिपचा (आयफील) माजी विद्यार्थी मेळावा नुकताच उत्साहात झाला. यावेळी संस्थेचे संचालक डॉ. संजय सालुंखे मार्गदर्शन करताना म्हणाले, आयफील ही व्यवस्थापन शिक्षण क्षेत्रातील अग्रगण्य संस्था आहे. ती वृद्धिंगत होण्यासाठी संस्थेतील व्यवस्थापक, प्राध्यापक, कर्मचारी व आजी-माजी विद्यार्थ्यांनी योगदान द्यावे. त्याकरिता सातत्यपूर्ण प्रयत्न, ऐक्य आणि सचोटी हवी. संस्थेचे उपसंचालक डॉ. सागर भडोंगे, प्राध्यापक, कर्मचारी व आजी-माजी विद्यार्थी उपस्थित होते.

## "AI-Enabled Management" Knowledge Immersion Program in Association with IIM Ranchi

The Institute for Future Education, Entrepreneurship and Leadership (iFEEL), Pune successfully organised a Knowledge Immersion Programme on "AI-Enabled Management: Reimagining Business, Leadership & Decision-Making"

from 2nd February to 5th February 2026, in association with the Indian Institute of Management (IIM) Ranchi. Designed exclusively for PGDM students, the immersion programme focused on the strategic and practical application of Artificial Intelligence across core management domains. Eminent faculty members from IIM Ranchi delivered intensive and interactive sessions on AI in survey research, sentiment analysis, financial and corporate finance analytics, HR and talent management, innovation management, data analytics, forecasting, content creation, and AI-driven leadership. Dr. Radha Yadav, Programme Director from IIM Ranchi, guided the academic design and execution of the immersion, ensuring strong industry and research orientation. Dr. Amit Sachan, Dean – Executive Education & Consulting (EEC), IIM Ranchi, addressed the students and highlighted how AI is transforming decision-making, productivity, and competitive strategy across industries.

*Youth Day*  
12TH JANUARY

On the birth anniversary of  
**Swami Vivekananda**, we honor his timeless  
teachings and the boundless potential  
of India's youth.

12  
January  
2026

## National Youth Day Celebration

On January 12, 2026, iFEEL, Lonavala celebrated National Youth Day with great enthusiasm and patriotic fervour. The day was observed in honour of the birth anniversary of Swami Vivekananda, served as a powerful reminder of the immense potential that young minds carry within them.

The celebration brought together students and faculty to reflect on the values of courage, vision, and national responsibility that define true youth leadership. Various activities were organized to engage students and inspire them to think beyond their immediate surroundings and consider their larger role as contributors to the nation.

Speeches, readings, and discussions centred around Swami Vivekananda's teachings provided an enriching experience for all participants. Students were encouraged to channel their energy and talents towards purposeful goals, embodying the spirit of the day.

iFEEL's annual sports extravaganza, Invictus 2026, was held from January 22 to 25, bringing the entire campus alive with the spirit of competition, camaraderie, and sportsmanship. The four-day event was one of the most eagerly anticipated highlights of the academic calendar.

Students participated in a variety of sporting events, competing as part of inter-team groups that cut across batches and sections. The competition was designed not just to celebrate athletic ability, but to foster a sense of unity and team spirit that goes beyond the boundaries of the playing field.

The Republic Day Celebration was held on 26 January 2026 at iFEEL Institute to honor the values of the Indian Constitution and foster a spirit of patriotism among students. The event began with the flag hoisting ceremony, followed by patriotic speeches and student presentations emphasizing unity, responsibility, and national pride. Students actively participated by delivering motivational speeches that encouraged their peers to become responsible citizens who contribute positively to society. The celebration served as a meaningful reminder of the importance of constitutional values, discipline, and collective responsibility towards the nation.

The Business Communication Session was conducted by Ms. Mansi Luthra on January 30, 2026. The session focused on the importance of effective workplace communication, covering key areas such as professional writing, presentation skills, email etiquette, and active listening. Through practical examples and interactive activities, students gained valuable insights into enhancing their communication abilities and professional presence. Constructive feedback helped participants identify areas for improvement and build confidence in their interactions. The session reinforced the significance of communication and soft skills in professional success, complementing technical and academic knowledge. At iFEEL, such initiatives continue to nurture well-rounded and future-ready professionals.

The second session under iFEEL's prestigious Global Change Leader (GCL) Programme was conducted on January 31, 2026, by Mr. Manoj Pant, a distinguished faculty member from BIMTECH (Birla Institute of Management Technology). The session proved to be a stimulating and intellectually rewarding experience for all participants.

The GCL programme is designed to cultivate future-ready leaders who can navigate complex business environments with clarity and confidence. In this session, Mr. Manoj Sir focused on the art of identifying core business problems — a skill that is foundational to effective management and strategic decision-making.

Through a series of case discussions and interactive exercises, students were encouraged to look beyond surface-level symptoms and dig deeper into the root causes of organizational challenges. Mr. Manoj Sir's approach combined theoretical frameworks with practical business insights, making the session both rigorous and accessible.

Participants came away with a sharper lens for problem analysis and a more structured approach to developing solution strategies. The GCL series continues to be one of the most impactful learning experiences at iFEEL, preparing students to become thoughtful, solution-oriented leaders in a rapidly changing global business landscape.

From February 2 to 5, 2026, iFEEL students participated in the Knowledge Immersion Programme at the Indian Institute of Management (IIM), Ranchi, focused on Artificial Intelligence and its business applications. The programme was conducted by esteemed IIM faculty members — Prof. Radha Yadav, Prof. Amit Sachan, and Prof. Kumar Shaurav, who guided students through the fundamentals of AI, its practical applications, and its growing impact on modern business. The objective of the programme was to enhance students' understanding of AI, strengthen their analytical and strategic thinking, and prepare them for technology-driven management roles. Through expert-led sessions, case studies, and interactive discussions, students gained valuable insights into how AI is transforming industries, business models, and decision-making processes. The programme concluded with a certificate distribution ceremony, and the overall feedback from students was highly positive, with participants appreciating the practical exposure, expert guidance, and relevance of the sessions for their academic and professional growth.

On February 9, 2026, iFEEL hosted an insightful guest lecture in association with FPA Edutech, featuring Mr. Syed Jafri as the distinguished speaker. The session was titled 'Fund Administration: An Underrated Career for Finance Aspirants' — and it lived up to its promise of opening new horizons for finance students.

Mr. Jafri brought with him a wealth of industry knowledge and a passion for guiding young professionals towards less-explored but highly rewarding career paths in finance. He began by demystifying the concept of fund administration, explaining its scope, the types of institutions that rely on it, and why it remains a sought-after yet largely misunderstood career track.

The lecture shed light on the day-to-day responsibilities of a fund administrator, the skills required to excel in the field, and the career growth trajectory that professionals can expect. Students were introduced to the global nature of fund administration roles and the opportunities available in both domestic and international financial markets.

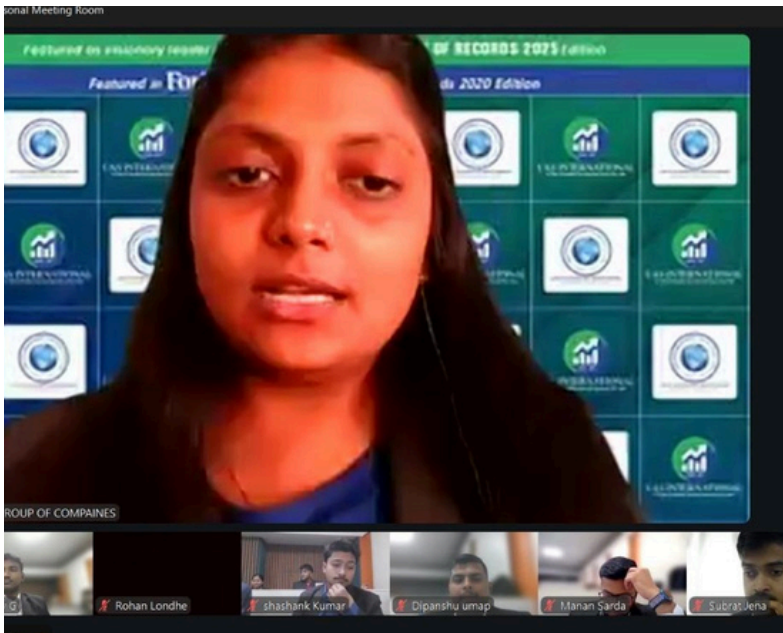

The session generated considerable enthusiasm among finance students, many of whom were encountering this career stream for the first time. Mr. Jafri's engaging style and practical insights made the session a memorable learning experience, and it left students with a broadened perspective on the diverse career avenues available within the finance domain.

# International Study Tour Information Session

9  
February  
2026

**iFEEL**  
INSTITUTE FOR FUTURE EDUCATION  
ENTREPRENEURSHIP AND LEADERSHIP

Also on February 9, 2026, iFEEL organized a dedicated information session to provide students with comprehensive details about the upcoming International Study Tour. The session was designed to generate awareness, manage expectations, and build excitement among eligible students.

The session covered all essential aspects of the international tour — including the destination, itinerary, academic objectives, cultural immersion activities, and logistical details. Students were given the opportunity to ask questions and gain clarity on participation requirements, preparation guidelines, and what to expect from this unique global learning experience.

International study tours are a hallmark of iFEEL's commitment to providing students with a globally aware management education. Exposure to international business environments, diverse cultures, and global best practices is considered a vital component of developing well-rounded future leaders.

The information session was met with great enthusiasm, with students expressing strong interest in participating. The event reinforced iFEEL's ethos that management education must transcend classroom boundaries and that some of the most powerful lessons in leadership and adaptability are learned through real-world global exposure

On February 10, 2026, iFEEL hosted an interactive Internship Programme Session featuring Mr. Ashish Kumar, HR Manager at OM Logistics. The session was aimed at preparing students for their upcoming internship experiences and giving them a realistic preview of the corporate environment they are about to enter.

Mr. Kumar Sir drew on his extensive experience in human resources to offer students practical guidance on how to make the most of their internships. He spoke candidly about the expectations that companies have from management interns, the professional etiquette required in a corporate setting, and the common mistakes that fresh graduates often make during their first industry exposure.

The session was highly interactive, with students actively participating in discussions and seeking advice on specific concerns related to their internship placements. Mr. Kumar's approachable style and willingness to address real-world scenarios made the session both informative and reassuring for students who were preparing to step into the professional world for the first time.

The session served as an important bridge between academic learning and professional practice. It underscored iFEEL's belief that internships are not just a curricular requirement, but a transformative opportunity for students to apply their learning, build their professional network, and take their first confident steps towards a successful management career.

On February 12, 2026, iFEEL students embarked on an energetic and rewarding study tour to Pimpri Chinchwad University, where they participated in a series of inter-university competitions organized by the host institution. The event provided a vibrant platform for students to showcase their talents beyond the boundaries of the iFEEL campus.

The competitions included a diverse mix of events — a Quiz competition that tested participants' general knowledge and current affairs awareness, a Reels competition that challenged students' creativity and digital storytelling abilities, and a Skit competition that put their team coordination, dramatic flair, and communication skills to the test.

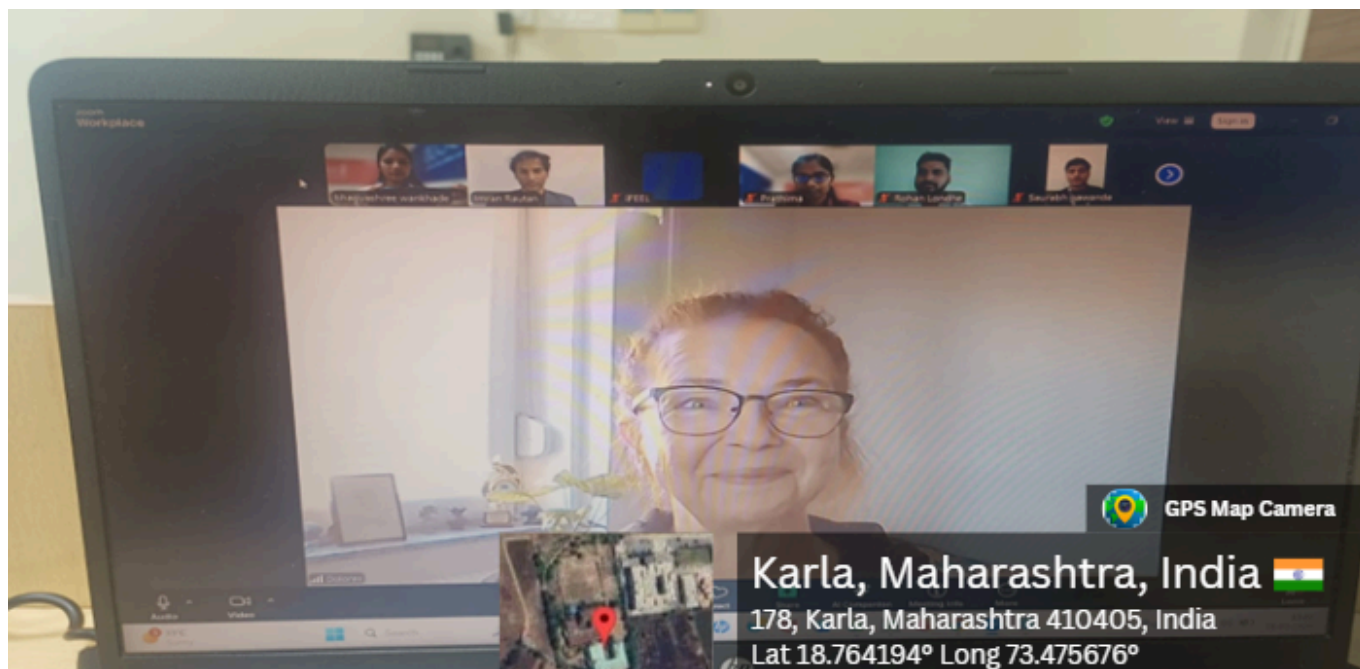

iFEEL students rose magnificently to the occasion, participating with enthusiasm and competitive spirit across all categories. Their preparation, teamwork, and performance earned them well-deserved recognition with the team bringing home prizes that reflected their talent and dedication.

Beyond the competitive aspect, the study tour offered students valuable exposure to another academic institution, opportunities to interact with peers from different colleges, and a chance to represent iFEEL on an external stage. It was a proud moment for the institute and a fitting conclusion to a vibrant and eventful first fortnight of February.

The Institute for Future Education, Entrepreneurship and Leadership (iFEEL) hosted an expert session titled “Social Entrepreneurship: Driving Change and Innovation” on 6th March 2026 at the iFEEL Campus, Lonavala. The session was held from 12:00 PM to 1:00 PM, coordinated by Prof. Priyanka Pathak, and facilitated by distinguished experts Dr. Imran Rautan and Ms. Dolores Csabai.

The session centred on the intersection of corporate efficiency and social responsibility, offering PGDM students a nuanced understanding of how social ventures leverage entrepreneurial frameworks to create scalable, sustainable impact. Dr. Rautan shared deep industry insights on navigating the social impact sector, while interactive Q&A segments allowed participants to apply theoretical concepts to real-world scenarios, sharpening their analytical and leadership capabilities.

The programme concluded with meaningful learning outcomes, equipping students with the strategic mindset essential for socially conscious leadership. The session was widely appreciated as a valuable step in bridging traditional business management with purpose-driven innovation, reinforcing iFEEL’s commitment to developing future-ready, responsible management professionals.

# International Leadership Conclave and Education Excellence Awards

7th  
March  
2026

**iFEEL**  
INSTITUTE FOR FUTURE EDUCATION  
ENTREPRENEURSHIP AND LEADERSHIP

The Institute for Future Education, Entrepreneurship and Leadership (iFEEL) hosted the International Leadership Conclave and Education Excellence Awards on 7th March 2026 at the iFEEL Campus, Lonavala. The event, held from 12:00 PM to 4:30 PM and coordinated by Prof. Priyanka Pathak, served as a premier platform for celebrating visionary leadership in global education.

The conclave honoured select Principals with the prestigious title of “**Architects of Entrepreneurial Institutions,**” recognising their pivotal role in redefining academic ecosystems through an entrepreneurial lens. Distinguished guests shared insights into the evolving landscape of global education, enabling students and participants to understand how visionary leadership translates into future-ready institutions.

The event underscored the critical synergy between academic excellence and social impact, reinforcing iFEEL’s commitment to collaborating with and recognising the architects of modern education. The programme concluded on a high note, leaving participants with enriched perspectives on institutional leadership and meaningful engagement with global educational frameworks.

# From Campus to Corporate: Navigating a Technology-Driven Future

27  
March  
2026

**iFEEL**  
INSTITUTE FOR FUTURE EDUCATION  
ENTREPRENEURSHIP AND LEADERSHIP

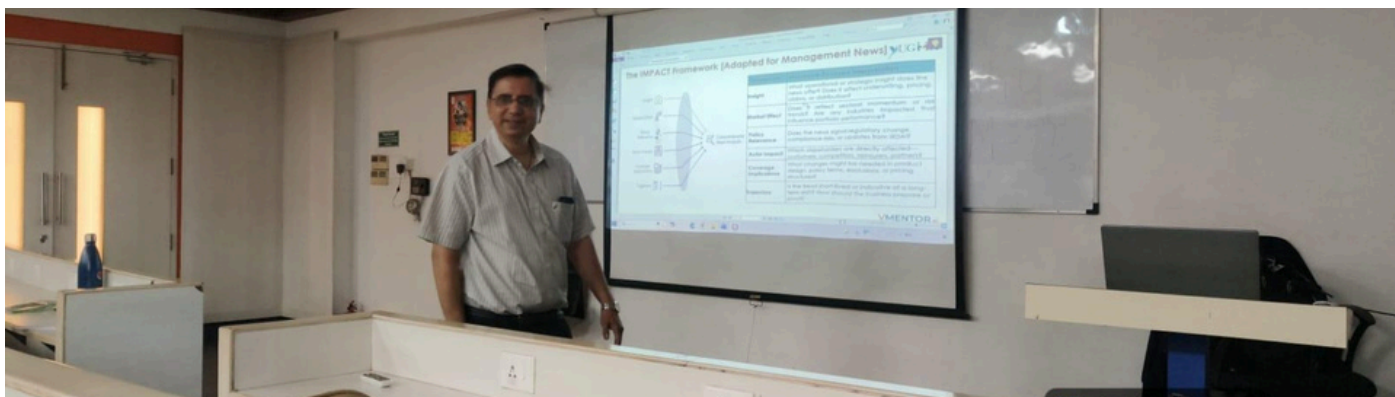

The Institute for Future Education, Entrepreneurship and Leadership (iFEEL) organized an insightful session titled “From Campus to Corporate: Navigating a Technology-Driven Future” for its PGDM students on 27th March 2026. The event was held at the iFEEL Campus, Lonavala, from 12:00 PM to 2:00 PM. The session was graced by distinguished resource persons Mr. Sushmit Bagchi and Ms. Pooja Mahimkar, whose industry experience and perspectives added significant value to the programme.

The session aimed at helping students understand the transition from academic learning to the dynamic corporate environment in a technology-driven world. Mr. Bagchi highlighted the critical importance of practical skills, adaptability, and a mindset of continuous learning in today's rapidly evolving workplaces. He emphasized the need for strong communication skills, professionalism, and a positive attitude, while encouraging students to stay abreast of emerging technologies and remain open to learning from real-world experiences. The session also focused on bridging the gap between theoretical knowledge and the expectations of modern corporate settings.

The session was informative and motivating, helping students gain a clearer understanding of corporate expectations and career readiness. The event was coordinated by Ms. Priyanka Pathak and was warmly appreciated by students and faculty alike as a meaningful initiative towards preparing industry-ready and future-confident management professionals.

The Institute for Future Education, Entrepreneurship and Leadership (iFEEL) organized a Placement Training Session on Business News Analysis and Pre-SIP Strategy for its PGDM students on 28th March 2026. The session was held at the iFEEL Campus, Lonavala, running from 9:00 AM to 4:00 PM. The programme was led by Mr. Rajendra Ghaisas, an experienced resource person whose practical insights and industry knowledge greatly enriched the learning experience for the students.

The session aimed at equipping students with the ability to understand and analyze current business news and industry trends, while enhancing their analytical thinking and decision-making skills. Mr. Ghaisas guided the participants on how to effectively interpret business developments and assess their impact on industries and organizational strategies. He also shared key Pre-SIP strategies covering preparation techniques, skill alignment, and approaches to internship opportunities. Real-life examples and practical insights were woven throughout the session to make the concepts accessible and relevant.

Students actively participated in discussions, sharpening their awareness of market trends and professional expectations. The session encouraged participants to develop a structured approach towards business analysis and build greater readiness for their Summer Internship Programme (SIP). The event was coordinated by Ms. Priyanka Pathak and was widely appreciated by students and faculty alike as a meaningful step towards preparing well-rounded, professionally confident future managers.

The Institute for Future Education, Entrepreneurship and Leadership (iFEEL) conducted the GCL Final Examination for its PGDM students on 31st March 2026. The event was held at the iFEEL Campus, Lonavala, with the session running from 10:00 AM to 2:00 PM. The examination was presided over by distinguished guest judges Prof. Manoj Pant from BIMTECH and Mr. Akash Anand, whose industry expertise and academic acumen lent great depth and credibility to the evaluation process.

The GCL Final Examination was an interactive and insightful session focused on assessing students' ability to identify real business problems, apply strategic thinking, and present effective solutions in a structured manner. Participants showcased their understanding through real-world case analysis, highlighting their approach to problem-solving, strategy development, and professional communication. The judges provided valuable feedback and industry-oriented perspectives, emphasizing the importance of structured thinking, practical application of management concepts, and clear articulation of ideas.

Students actively participated by presenting their ideas and engaging in discussions. Team 8 emerged as the winner of the examination, followed by Team 3 as the 1st Runner-Up and Team 7 as the 2nd Runner-Up. The event was coordinated under the guidance of Ms. Priyanka Pathak and Dr. Shraddha Purandare, and was widely appreciated by students and faculty alike as a meaningful step towards building analytical, confident, and future-ready management professionals.

The NISM Workshop on Financial Literacy was successfully conducted at iFEEL Campus, Lonavala, on 3rd and 4th April 2026. Led by Mr. Rohit Warman under the guidance of Dr. Gaurav Petkar, the workshop aimed to enhance students’ understanding of financial literacy and responsible money management. The sessions focused on key financial concepts such as budgeting, saving, investing, financial planning, and investor awareness, equipping participants with essential knowledge to navigate today’s dynamic financial landscape.

Through engaging discussions and practical real-life examples, students gained valuable insights into personal finance, risk management, and various investment avenues. The interactive nature of the workshop encouraged active participation and critical thinking, helping students develop informed financial decision-making skills. The event successfully fostered financial awareness and highlighted the importance of financial discipline in building a secure and sustainable future.

# Intellectual Property Rights Session

10  
April  
2026

**iFEEL**  
INSTITUTE FOR FUTURE EDUCATION  
ENTREPRENEURSHIP AND LEADERSHIP

The Institute for Future Education, Entrepreneurship and Leadership (iFEEL), Lonavala, organized an expert session on "Intellectual Property Rights (IPR): Essentials for Management Students" on 10th April 2026, from 2:00 PM to 3:00 PM at the iFEEL Campus. The session was conducted by Dr. Ankita Jain and coordinated by Dr. Gaurav Petkar. The session aimed to create awareness among PGDM students about the importance of intellectual property rights in today's business and innovation ecosystem, covering key concepts such as patents, copyrights, trademarks, and technology transfer.

Dr. Jain delivered an insightful and engaging session using real-world case studies and practical examples, highlighting how IPR plays a vital role in entrepreneurship, corporate management, and innovation-driven industries. Students actively participated in discussions and gained a deeper understanding of the legal and strategic aspects of intellectual property management. The session inspired students to think innovatively while appreciating the importance of safeguarding intellectual assets for sustainable business growth.

# Thank You!

As we close this edition of iPULSE, we extend our heartfelt thanks to all our readers, contributors, and well-wishers.

“

Your support and encouragement inspire us to keep sharing stories that matter.

”

*Education is not the learning of facts,  
but the training of the mind to think.*
