MoU between PCU Raahatt – Diet and Wellness Clinic and iFEEL

iFEEL has partnered with PCU Raahatt – Diet and Wellness Clinic to foster a holistic approach to student and staff well-being, focused on promoting mental health, emotional resilience and overall wellness through structured counselling services, awareness initiatives and expert-led programs. Under this partnership, Raahatt provides access to qualified mental health professionals for both on-campus and online counselling, ensuring confidential and ethical support for students. The initiative also includes workshops on stress management, mindfulness, suicide prevention, gender sensitization and workplace well-being, along with specialized training for faculty and staff to identify and support at-risk individuals. Periodic health and wellness camps will be conducted to address physical, emotional and nutritional well-being, creating a comprehensive support ecosystem within the campus. This collaboration reflects iFEEL's commitment to creating a safe, supportive and mentally healthy academic environment in alignment with national education and mental health guidelines.
